Memorandum For: Deputy Director (Support)

Subject : Financial
Purchase of Information

1. This memorandum suggests action on the part of the DDS. Such requested action is contained in paragraph 3.
2. For the protection of this Agency and to carry out the CI mission of this office, it is believed that a project begun in F.Y. 1957 to index the Daily Worker should be continued through F.Y. 1958. To date approximately 500,000 names have been indexed and are in the process of being typed and integrated into OS files. It is believed that a continuance of this project through F.Y. 1958 will be of material benefit to the Agency in that it will increase our indexes by from 300,000 to 500,000 additional names.
3. It is requested that authorization be granted to continue a project of indexing the Daily Worker through F.Y. 1958 at a cost of approximately \$10,000. Funds are available in the OS budget for 1958.
